

BILATERAL AIR SERVICES AGREEMENTS

CALENDAR OF BILATERAL NEGOTIATIONS

Air carriers holder of a valid operating license and air operator certificate (AOC) issued by the competent Belgian authorities as well as Community air carriers established in Belgium are hereby informed of the bilateral negotiations Belgium has planned and scheduled with third countries.

They are hereby invited to make themselves known to possibly participate, as interested parties, in the preparation of the negotiations. Further info can be obtained at the contact address below.

Should they wish to participate in the negotiations, as a concerned party, their attendance must be confirmed at least five working days before the proposed date of negotiations.

This publication is the only notification.
